### **STATEMENT:**

As Alaska's only Representative in the 435-member  
U.S. House of Representatives, it is important that  
Alaska be represented by a proven leader who is dedi-  
cated to serve people from every region of our state.

Your continued trust and support has enabled me to  
serve as the Chairman of the House Resources  
Committee and now as Chairman of the powerful  
Transportation and Infrastructure Committee.

As Chairman, I have worked to ensure that Alaska  
receives adequate funding for highways and bridges,  
large and small airports, ports and other important  
infrastructure projects.

In response to the terrorist attacks on September  
11th, I have taken the lead in writing several important  
national security bills, including the aviation security  
bill, the port and maritime anti-terrorist legislation, the  
bus security bill and the pipeline safety and security  
bill. These will all play a key role in improving  
America's Homeland Security effort.

I also serve as a senior member of the House  
Resources Committee, which has jurisdiction over  
federal lands, fisheries, wildlife, energy and minerals,  
forests, and Native American issues. This session I  
was able to successfully include ANWR oil and gas  
development provisions in the House-passed national  
energy bill.

Alaska's future is one of unlimited potential. We have  
an abundance of natural resources, wildlife and the  
most beautiful lands in the world. By managing our  
resources wisely, we can provide for a healthy envi-  
ronment and a diverse economy-both for ourselves  
and future generations.

I ask for your continued support
